

Because reducing loans will create new charges on your TU Student Account, please plan for how you will pay these new TU charges. If you have over-borrowed and are receiving excess financial aid rebate funds, then we encourage you to reduce your loan debt by reducing your current loans and returning a portion of your aid rebate.

- **This form can only be used to reduce Federal PLUS Loans.**

(To increase a PLUS Loan, you must visit www.studentaid.gov and submit another PLUS loan application.)

- Please submit your reduction request within 30 days of your TU Loan Disbursement Notice.
- Please check the appropriate loan type:
