

2024-2025 Biology Student Scholarships

The Biology Scholarship Committee is now accepting applications for the 2024 Biology Student Scholarships. There are multiple opportunities ranging from **\$1000-\$3550**. Don't miss out!

These are scholarships that can be used starting Fall 2024 semester. **You must be enrolled as a full-time student in the Fall 2024 semester to qualify.**

To apply for any scholarship, complete an application on Towson University's online scholarship system at <https://towson.academicworks.com/applications>

Completely fill in the General Application to see recommended scholarships. **You can apply for as many scholarships for which you qualify.**

As part of your application, you will list TWO faculty members that will complete an online recommendation form for you – ***we highly recommend that you discuss this with them first!*** The deadline is soon so reach out to your references ASAP.

Applications are due by midnight on Wednesday, March 6th, 2024

More information about the scholarships and awards can be found at <https://www.towson.edu/fcsm/departments/biology/scholarships.html>

Email Bioscholarships@towson.edu for any questions or problems with the application.
