

Glen Towers Summer Break Cooling Set-Up Procedure

Before leaving for the summer vacation, help us **save energy** by **turning off the light** and **setting the thermostat** located in the room to the position exactly as shown in the pictures below.

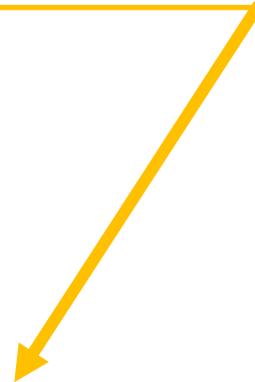

There are two different types: Applied Comfort and ComfortLine.

Applied Comfort:

If you have Applied Comfort in your room, ensure that the settings are adjusted to the position exactly as shown in the photo below.

Fan Speed: Set to **COOL - 1**

Temperature: Adjust to **10 O'clock**

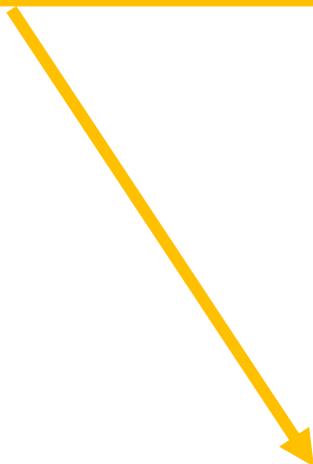

ComfortLine:

If you have ComfortLine in your room, ensure that the settings are adjusted to the position exactly as shown in the photo below.

Fan Speed: Turn all the way to the right (clockwise) to "LOW-

Fresh Air Vent: Set to "CLOSED"
